

Online Learning Agreement Student Mobility for Studies

IMPORTANT INFORMATION: For the Erasmus+ 2021-2027 programme, Learning Agreements must be managed digitally. Higher Education Institutions can do this by using a recognition system, which is connected to the Erasmus Without Paper Network and has the relevant Learning Agreement APIs implemented. Therefore, this template is provided by the European Commission for information purposes only and must not be used to manage Learning Agreements for Student mobility for studies.

Commitment of the three parties

Any Mobility type

By digitally signing this document, the student, the Sending Institution and the Receiving Institution confirm that they approve the Online Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies. The Beneficiary Institution and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed are in line with its course catalogue or as agreed otherwise and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.
